**EVERGREEN HOME LOANS NAMED 8TH BEST WORKPLACE FOR WOMEN™ BY
GREAT PLACE TO WORK®**

Bellevue, Washington — September 23, 2019 — [Evergreen Home Loans](#), a full-service direct home loan lender offering origination, funding and home loan servicing with offices in six western states, today announced that it was named the number 8th best workplace by research and consulting firm [Great Place to Work®](#) and *Fortune* on their annual survey of the Best Workplaces for Women™ in 2019.

“At Evergreen, we value our diverse culture and appreciate the daily achievements of our people,” said Don Burton, president of Evergreen Home Loans. “We’re proud that we have a high percentage of women associates and women in management, including 60 percent of our executive leadership team.”

The ranking and designation were determined through anonymous survey responses from Evergreen associates and analyzing demographics and representation across the organization. Responses rated Evergreen Home Loans on metrics such as ethical leadership, respectful and fair workplace interactions, benefits and development, and strong, caring and personal support.

“We’re honored to be recognized as a national leader for women in the workplace,” said Burton. “Our aim is to reach the top of this list and become the best place to work in our industry, as well as across the country. We’ll continue to empower our employees to achieve their full potential.”

Evergreen Home Loans has offices in six western states: Arizona, California, Idaho, Nevada, Oregon and Washington. The company is also licensed to originate loans in Alaska. Evergreen began with five employees in West Seattle in 1987 and has grown to more than 730 associates.
