

Evergreen Home Loans® Earns 2025 Great Place To Work Certification™

Bellevue, WA — Evergreen Home Loans® is proud to be Certified™ by Great Place To Work®. The prestigious award is based entirely on what current employees say about their experience working at Evergreen. This year, **92%** of employees said Evergreen is a great place to work — significantly higher than the average U.S. company.

Great Place To Work® is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention, and increased innovation.

"Great Place To Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience," says Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place To Work. She emphasizes that Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. *"By successfully earning this recognition, it is evident that Evergreen Home Loans stands out as one of the top companies to work for, providing a great workplace environment for its employees."*

"Our people are the heart of everything we do," said Don Burton, Founder and CEO. *"Our success is built on the passion, dedication, and care our team members bring to their work every day. We celebrate and thank them for making Evergreen a truly great place to work."*

Evergreen is known for its commitment to creating a workplace where employees thrive, offering unique programs such as personalized coaching programs, professional development opportunities, and a strong emphasis on community involvement. These initiatives not only empower team members but also foster a culture of connection, support, and shared success.

According to Great Place To Work research, job seekers are 4.5 times more likely to find a great boss at a Certified great workplace. Additionally, employees at Certified workplaces are 93% more likely to look forward to coming to work and are twice as likely to be paid fairly, earn a fair share of the company's profits, and have a fair chance at promotion.
