BELLEVUE, Washington – August 17, 2021 – Evergreen Home Loans, a full-service direct home loan lender offering origination, funding and servicing with offices in six western states, announced it was named number ten on the Best Small & Medium Workplaces™ 2021 list from *Fortune* magazine and Great Place to Work®.

Evergreen associates and their anonymous survey responses helped the company place on the list for the sixth consecutive year and they're recognized amongst one hundred other medium-sized companies on this national list. This highlights the people-centric culture at Evergreen, a Great Place to Work-Certified™ company since 2016.

"It's an honor to be recognized for the sixth year in the row as a Best Workplace," said Don Burton, President of Evergreen Home Loans. "This recognition and our culture is possible because of the dedication of our associates to providing a WOW experience for each other and our customers. I am proud to work with such amazing people. They are the reason we are consistently named a great workplace."
