Bellevue, WA — March 27th, 2026 — Evergreen Home Loans® today announced the promotion of three high-performing leaders, reinforcing the company's focus on developing talent from within as it continues to grow across multiple markets

As Evergreen has expanded its footprint nationally over the past year, these promotions reinforce a continued investment in the Pacific Northwest, where many of the company's legacy teams and highest-performing markets were built.

- ***Tyler McMahon has been promoted to Regional Manager***, overseeing production teams across Oregon, Arizona and Southern, WA. McMahon has served as an Area Manager since 2015 and has played a key role in developing teams and driving performance across the region.
- ***Cole Grode has been promoted to Area Sales Manager***, supporting growth across Eastern Washington and North Idaho. Grode, who joined Evergreen in 2016, is a long-standing President's Club producing Branch Manager known for consistent production and market leadership.

These promotions reflect both individual performance and Evergreen's broader approach to building leadership internally in a competitive market. Each of these leaders has built their career within Evergreen, contributing to both production growth and the development of high-performing teams.

"These promotions are a direct reflection of how we grow," said Robert Lipston, Executive Vice President– Head of Production. "Tyler, Cole, and Amber each earned this through consistent performance, leadership, and how they show up for their teams and clients. As we continue to expand, this is exactly how we scale the right way."
